This document is published by Sony Ericsson Mobile Communications AB, without any warranty*. Improvements and changes to this text necessitated by typographical errors, inaccuracies of current information or improvements to programs and/or equipment, may be made by Sony Ericsson Mobile Communications AB at any time and without notice. Such changes will, however, be incorporated into new editions of this document. Printed versions are to be regarded as temporary reference copies only.

This document may reference services or applications provided by third parties. Use of such programming or services may require separate registration with the third party provider and may be subject to additional terms of use. For applications accessed on or through a third-party website, please review such website's terms of use and applicable privacy policy in advance. Sony Ericsson does not warrant or guaranty the availability or performance of any third-party websites or offered services.

Some features described in this document are not supported by all networks and/or service providers in all areas. Please contact your network operator or service provider to determine availability of any specific service or feature and whether additional access or usage fees apply.

*All implied warranties, including without limitation the implied warranties of merchantability or fitness for a particular purpose, are excluded. In no event shall Sony Ericsson or its licensors be liable for incidental or consequential damages of any nature, including but not limited to lost profits or commercial loss, arising out of the use of the information in this document.

Product overview

Sony Ericsson txt pro™ – Chat with a snap

Is anyone kick flipping at the skatepark? Are you the only one wearing orange at the party? Find out the easy way. Use the Friends app. Add your five best friends from your phonebook and see at a glance when they say smart things on Facebook™ or tell tales on Twitter™. Then text right back without the wait. Making your friends the centre of attention couldn't be easier. Enjoy!

Chill out at the hotspot

Sony Ericsson txt pro™ has Wi-Fi®. So you can see what's cool from any hotspot. Snap a quick photo of yourself at the concert. Just to prove you got in. Then upload to everyone. Or just chill out at the café and browse around to get the low-down at high speed – without worrying about the bill if you use a free hotspot*.

What you want. Where you want it

Chat at the speed of life. Simply snap out the full keyboard and type away with ease. Or quickly check out the most popular videos on YouTube™ on the large 3-inch touchscreen. Fancy getting more personal? Drag and drop the apps you want to the corners you want on your Home screen. Twitter™ top right? Friends bottom left? Easy with Sony Ericsson txt pro™ – it's bursting with social power.

**Not all Wi-Fi® hotspots are free of charge.*

Facts – dimensions, weight, performance and networks

Operating system	Sony Ericsson proprietary OS
Processor	PNX-4910
Size	93 x 52 x 18 mm
Weight	100 grams
Available colours	Black White Pink
Main screen	
Colours	262,144 colour TFT
Resolution	400x240 pixels
Size (diagonal)	3 inches
Scratch-resistant	Yes
Input mechanisms	
QWERTY keyboard	4 x 10
Text input	Quick text (Zi)
Touch screen	Capacitive (single touch)
Touch gesture	Single touch
Motion sensor	Accelerometer
Memory	
Internal phone storage	Up to 100 MB (up to 100 MB free of use memory)
RAM	64 MB
Expansion slot	microSD™, up to 32 GB
Camera	
Camera resolution	3.2 megapixel
Video recording	Yes, MPEG4 (QVGA)
Sensors	
Accelerometer	Yes
Proximity sensor	Yes
Networks	
CK15i	GSM GPRS/EDGE 850, 900, 1800, 1900
CK15a	GSM GPRS/EDGE 850, 900, 1800, 1900

Data transfer speeds	
GSM GPRS (Class 10 CS4)	Up to 85.6 kbps (download). Up to 42.8 Kbps (upload).
GSM EDGE (Class 10 MCS9)	Up to 236.8 kbps (download). Up to 118.4 Kbps (upload).
Talk time (GSM)	Up to 5 hours 10 min*
Standby time (GSM)	Up to 400 hours*
Battery	1000 mAh

**According to GSM Association Battery Life Measurement Technique.*

Note: Battery performance may vary depending on network conditions and configuration, and phone usage.

Java, JavaScript and Java-based trademarks and logos are trademarks or registered trademarks of Sun Microsystems, Inc., in the U.S. and other countries.

Wi-Fi is a trademark or registered trademark of the Wi-Fi Alliance.

End-user license agreement for Sun Java Platform, Micro Edition

1. Restrictions: Software is confidential copyrighted information of Sun and title to all copies is retained by Sun and/or its licensors. Customer shall not modify, decompile, disassemble, decrypt, extract, or otherwise reverse engineer Software. Software may not be leased, assigned, or sublicensed, in whole or in part.

2. Export Regulations: Software including technical data, is subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Customer agrees to comply strictly with all such regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export, or import Software. Software may not be downloaded, or otherwise exported or re-exported (i) into, or to a national or resident of, Cuba, Iraq, Iran, North Korea, Libya, Sudan, Syria (as such listing may be revised from time to time) or any country to which the U.S. has embargoed goods; or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nations or the U.S. Commerce Department's Table of Denial Orders.

3. Restricted Rights: Use, duplication or disclosure by the United States government is subject to the restrictions as set forth in the Rights in Technical Data and Computer Software Clauses in DFARS 252.227-7013(c) (1) and FAR 52.227-19(c) (2) as applicable.

All other trademarks and copyrights are the property of their respective owners.

Some features described herein require supporting services. Usage charges may apply for such services.
